

School sports premium funding year 2016-2017

Sports Premium Funding is allocated to schools to improve the provision of Sport in Primary schools and is based on the number of pupils. Southern Road will receive a total of £10,685 in sort premium funding in the academic year 2016/17. The following report explains how we are using the funding.

Activity	Explanation and impact
<p>Cumberland School Sports Partnership work</p>	<p>CPD support - Programme of CPD courses for P.E. leaders, class teachers and support staff. Inset sessions on problem solving for all staff. Various intra and inter-school competitions - Which include multi-sport games, multi-skills, skipping, dance mats and athletics competitions between Newham schools. Mini-Olympics, tri-golf, futsal amongst others. Inclusive Sports Programme - coaching in Paralympic sports (goalball, boccia, New Age curling, seated volleyball) Sports Club Coaching - Support for N.Q.Ts and new staff and coaching in various sports including archery, gymnastics and fencing. Sports Leaders Training - Yr 5 & 6 sports leaders trained to lead competition and playground activities</p> <p>Predicted Impact – Pupils will receive good/outstanding PE lessons from well-trained school staff and will have had opportunities to take part in sporting competitions</p>
<p>Planning/daily fitness</p>	<p>Added resource cards and books to aid initial planning, games and G&T development. Yearly subscription into schemes such as 5-a day that’s helps contribute to the school’s physical movement and education plan.</p> <p>Predicted impact – Teachers to be able to teach with confidence and provide high quality lessons which improve on the children’s particular needs.</p>
<p>Equipment</p>	<p>Equipment replenished and extended. New equipment bought includes badminton nets, rackets and handball goals and balls. Large scale equipment includes the purchase of 2 new gym climbing frames for both halls and 10 fitness dance mats.</p> <p>Predicted Impact – enhanced PE experiences for pupils leading to higher achievement individually and during inter-school tournaments. Parent-child fitness clubs will help incorporate healthy lifestyles beyond the schools grounds.</p>
<p>Extra-curricular activities</p>	<p>Extending extra-curricular activities and promoting a healthy lifestyle including dance club offered in connection with the local secondary school.</p> <p>Predicted Impact - the quality and quantity of extra-curricular sports activities will be improved.</p>
<p>Trips/Experiences</p>	<p>Allowing children from across all ages to experience sport out of the school grounds, include basketball at the London O2 arena.</p> <p>Predicted impact – Pupils will see the end product of showing commitment and dedication in PE lessons and what it can achieve. Pupils to compare and contrast the skills they have learnt to the professional players abilities.</p>

<p>Tennis Coach</p>	<p>CPD teacher training and children coaching from years 1-6. Extracurricular once a week all year.</p> <p>Predicted impact – Pupil and teacher dedication to tennis and a solid understanding of the basic skills needed to compete in single and double competition. Teacher feel adequately trained to continue to develop their children further in future lessons.</p>
<p>Swimming pool (3 month programme)</p>	<p>Whole school weekly swimming lessons from Reception – year 6. Parents and family can attend and join in lessons after school. School staff given swimming lessons.</p> <p>Predicted impact – All children become water confident. Most children able to swim 25M independently. All children to lose the fear of water and attend lessons/pools after the 3month initial programme finishes. Parents/carers feel able to take their child to the local leisure centre more often and contributing to a healthy lifestyle.</p>
