Culturally Inclusive Week

The theme of **Cultural Diversity Week** this week has been India. It's been a week of incredible dance workshops, tasting delicious, savoury and sweet Indian food. The children explored a range of Indian stories. We also learnt about Indian culture including how henna paste is made for Mehndi hand art. We also created Indian art work for our whole school display.

The children have been amazing, learning new dance movements and positions. They have worked hard to produce a final dance sequence in their classes. We are really proud of the effort put in by all the children throughout the school. We now have amazing expert Bollywood dancers so please ask your child to show you what they can do. A big thank you to all the parents who made and contributed tasty dishes for the children.

Mr MacGregor – Head Teacher

Nursery Parents' Day.

A big thank to all the parents who came to the Nursery Open day, it was really nice to see you all.

It was also really good to see that all parents took part in making musical instruments with the children.

Parents you made some excellent instruments!

We are open to suggestions for any other activities you would like to do with your children next term.

National Young Mathematician Competition

Four children from year 6 took part in the National Young Mathematician competition on Wednesday. The children did brilliantly and really impressed the staff with their teamwork and problem solving. We will find out next week if they get through to the next round.

Think you can encourage staff and children at Southern Road to read? Then go for it!!!

Get creative and design a poster to inspire staff AND students to read.

The five most interesting and motivating posters will receive a **£5.00 book** token to use for a book during our Scholastic book fair (**8th-16th November 2017**). Your poster also gets displayed around the school and the library.

Send your entries with your name and class to: **Miss Rehman in 4ZR.**

The competition closes on

ART

On Friday 3rd November 4AS went to the Royal Academy of Arts to visit the Jasper Johns exhibition. After seeing his work they all took part in a work shop using stencils in their work, much like Johns did.

Kiddy Tots

at Southern Road

A free Parent/Carer and Toddler Group (0-5 Years Welcome)
