Happy New Year

First of all I would like to wish everybody a Happy New Year. In my view Spring term, although the shortest term, is also the most important as the children are now settled in their classes and able to really push on with their learning and progress.

We are always looking at new ways of communicating to parents and friends of Southern Road and to support this we have set up a new twitter page. The address is below and it is also linked to on the school website. We have also set up an online calendar of school events on the website that will be updated regularly to keep you informed.

Mr MacGregor
Head Teacher

THANK YOU SOUTHERN ROAD!

As you may remember we organised the 'Dress in Red' Christmas assemblies at the end of last term to support Kamile Imran, one of our year 5 pupils who has been hugely successful in the martial art of Karate.

Thanks to the success of the day we managed to raise a total of £421.60. This is a huge amount towards the cost of Kamile's (5LV) trip to America for the Karate World Championships next summer. Thank you again for all your support.

DANCE CHAMPIONS

Just before Christmas Mr Permaul took some teams of children to the Newham Dance MATs competition at Cumberland School. We are pleased to say that we won and came second! The children even made it in to the Newham Recorder. Well done! See the full report from the Newham Recorder below.

Southern Road pupils face the camera after winning the Cumberland SSP dance competition.

Youngsters from Southern Road primary school came out on top in the latest event staged by the Cumberland School Sport Partnership recently.

More than 200 children from the year five and six age group took part in the dance competition held at Eastlea School, showing agility and co-ordination to gain as many points for their teams as possible.

The event encouraged children of all abilities to take part and followed on from earlier competitions held at participating schools in Newham earlier in the academic year. And Southern Road's A team were eventually crowned champions at the end of the day, following a dominant performance, with their own B team claiming the runners-up spot.
