

A Warm Welcome Back.

Welcome back. I hope everybody had an enjoyable and restful break and is enjoying the warm weather. Summer term is upon us and is always a very busy time the school year.

Year 6 and Year 2 have their SATs coming up and have been working hard with their teachers for the final push. All other year groups will undertake their end of year assessments after half term and I know they are all working hard as always to progress in their learning. There will be many other events taking place over the term so please keep checking the newsletter , website and twitter accounts.

You will have now hopefully received a letter informing you about Parent Mail . As a school we are very excited about how this will improve the communication with you all (no more lost letters in book bags!) and will also help all of us save time and paper! We will be holding workshops and supporting parents through the process but basically once the app is downloaded and you are logged in then that is all that is required.

Times-Tables Rock Stars Fastest Five

This week's top five:

- Emmanuel (6TB) with 0.78s! (Amazing!)
- Jeffrey (5LV) with 0.87s
- David (6LT) with 0.87s
- Hinal (6LT) with 0.91s
- Jerry (5MD) with 0.91s

In other news, Southern Road may have been on holiday but year 6 were still rocking! Over the two weeks of break they entered over 175,000 correct answers on Times Table Rock Stars. The classes went head to head to see who could answer the most correct answers, with 6LT just managing to claim the top spot at the last second. Well done year 6, your teachers are incredibly impressed with you!

Dance mat winners A clean sweep!

Earlier this week Mr Permaul took a large group of Year Four children to Cumberland School for a dance mat competition.

The children were split into three teams and were competing against another twenty teams in total.

The children did us incredibly proud and managed to take the gold, silver and bronze medals.

What an achievement!

(See the team celebrating their win below).
