Welcome Back!

We hope everybody had a lovely summer and that you are all looking forward to the academic year. Children have settled well into their new classes and all the teachers have been impressed with the learning so far. We look forward to welcoming the children into our early years from next week and hope they settle just as well!

Autumn Term is the longest term of the year and we have lots of exciting events and a few other changes coming your way. Our new Parent mail system will be used more regularly now as we have 76% of families now signed up. Please do ask the front office if you have not yet done so. If you have please download the app it means you will get all information instantly (details below).

We also welcome two new members of staff. Miss Cane has joined us in Year 2 as an experienced class teacher. We also have trainee teacher Miss Dunne who will be working in 1AR alongside Mrs Redman for the academic year.

Many thanks

Mr MacGregor
Head Teacher

Science Award

We had some good news this week as we received a certificate of excellence award from the BBC for our participation in their Terrific Scientific primary investigations. Well done to Miss Baldwin and all involved!

PE Gold Award

We had some other good news right at the end of the summer term when we were awarded the school games gold award.

A great achievement! Well done to Mr Pemaul and all our children for their hard work.
