Southern Road Primary School Newsletter

Friday 3rd November 2017

I hope everyone had a relaxing and enjoyable half term.

Welcome to the first edition of our new weekly newsletter that will replace the previous half termly one. We feel communication to parents is vital and being able to share what the school has and will be doing on a weekly basis is key to this.

We have lots of exciting events coming up this term beginning with our 'Culturally Diversity Week' next week where lots of exciting events will be taking place including dance workshops and a traditional clothes day.

We are also extremely excited to begin our work with the team from 'Enabling Enterprise'. The main aims of Enabling Enterprise are to build students' team work skills, their understanding of the world and to encourage them to have high aspirations. This will involve trips, challenge days and other events across the remainder of the academic year.

The Hammers are here!

Another exciting change to Southern Road began on Monday this week.

Two West Ham FC community coaches will now be running football and other sports everyday during lunchtimes for our Key Stage Two pupils.

The aim is to provide the children with more structured activities whilst also supporting our commitment to healthy living. Over the year we hope to extend this to our Key Stage One pupils.

Harvest Festival.

A massive thankyou to all parents and carers who donated food for the Harvest Festival before half term.

Ms Dubock and Mr Crompton led an assembly explaining why we have the Harvest Festival, where our food comes from and how the donations would help others.

The food donations were gratefully received by **The Bonny Downs Foundation** food bank in East Ham.
