**Writing:** Write a formal letter to Mr MacGregor to ask if Om (from the story) can join our school— explain why it would be good for Om and the other children at our school.

**Art and DT:** Make a woolly mammoth from recycled materials.

Use natural materials: berries, plants and materials from around the house to create a cave painting.

**Science: Forces** Make a toy that uses a push or pull force. It can be any size but it must work by being pushed or pulled.

**Maths:** You need to think creatively, use your reasoning skills and your problem solving strategies to find the mystery number from the list below.

- The number has two digits.
- Both of the digits are even.
- The digit in the tens place is greater than the digit in the ones place.
- The ones digit is not in the three times table.
- The tens digit is not double the ones digit.
- The sum of the two digits is a multiple of five.

**History** To create a poster showing the similarities and difference between the Iron age and the Bronze age. Make it exciting and colourful. If you want to use a computer to make a digital one you can.

**RE:** Interview a member of your family and ask them about a special celebration they were a part of and why it is memorable for them.

Record your questions and their answers.

**P.E** Design a new school football strip for Southern Road Primary School. It needs to have the school logo and colours the rest is up to you. If it's good enough Mr Permaul may have it made for real!
