

## A SPORTING WEEK

This week at Southern Road it has been a week full of exercise and sport celebrating the charity 'Sport Relief'. I strongly believe that taking part in sports both in a friendly and competitive manner helps develop healthy bodies but also healthy minds. Not only that but it actively encourages teamwork, communication and celebration amongst the pupils. A big thank you to Mr Permaul assisted by Mr Monk.

Most of you by now will have received your slots for Parents' Evening but if not please check with your child's class teacher to arrange a time.

Head Teacher

### Times-table Rock stars fastest five

It has been extremely competitive this week and the children have shown incredible determination to succeed and clinch the top spot in our charts.

We are starting to notice a real improvement in Maths lessons too now that our times table fluency is getting better!

Congratulations this week to Adeyinka of 5DL, for being the first child at Southern Road to reach the rank of Rock Hero – answering each question in less than a second!

Adeyinka 5DL (0.91 seconds per question)

Emmanuel 6TB (1.02 seconds per question)

Hinal 6LT (1.03 seconds per question)

David 6LT (1.05 seconds per question)

Bassam 6LT (1.06 seconds per question)

(If you want to be featured in the charts, don't forget to play in Studio Mode!)

### Behaviour Cups

The classes that showed outstanding behaviour this week were:  
Orange class, 2HB, 4ZR and 5DL

### A music lesson from the world famous London Symphony Orchestra!

4AS and 4TP experienced a music lesson with a difference this week. They got to create and play music alongside a double bass, an oboe, a French horn and trumpet players when the London Symphony Orchestra visited the school

The music had the children travelling to Mars by courtesy of musical ideas from the great classical composer Holtz.

### HeadStart Parenting Course Success

This week a group of SRPS parents completed their 'Being a Parent' training course organised by HeadStart Newham.

All the parents that took part have done tremendously well and we are incredibly proud of them.

More workshops will be taking place later in the year with information about how to take part coming your way soon.

### Class attendance awards

Well done to 3RC and 6TB who had  
100% attendance this week
