

The Compass

Southern Road Primary School Newsletter

Friday 21st September 2018

Autumn Activities

Thank you for all the responses to our after school provision survey. We will be in contact soon when we have further information. Thank you also to all of you for getting the children to the school by our new start time of 8.55am it's already improving the learning time greatly!

Mr MacGregor
Head Teacher

Sports Leaders

We have got a brand new team of Year 5 sports leaders. They will be in charge of creating games and activities for the younger children in our school at lunchtimes.

They will also be helping Mr Permaul with cross country and sports day events throughout the year.

Bikeability

Southern Road welcomed the bikeability coaches to the school this week. Children in years 1 – 6 have already, or will be working with them across the Autumn term. It is already proving a great success, getting all the children cycling with confidence and on the odd occasion even with one hand!!

Pupil's Compass! (Written by the Headstart Champions for everyone)

As Headstart Champions, we are trying to help others build up their resilience. We want to say to all our pupils "We hope you are having fun in your new class!" Getting to know new children and teachers can be difficult. If you are feeling insecure about your new class, go and talk to an adult. It is ok to ask the teacher for help.

Kiddy Tots

at Southern Road

A free Parent/Carer and Toddler Group
