## Positive news!

I am pleased to say that due the excellent response to our survey via parent mail about evening child care provision , we have been accepted as an agreed venue for the 'Energy Kidz club' which will run from 3.30pm-6pm., 5 days a week. This takes quite a bit of time to set up but I can now announce the expected launch day is January 8th 2019. Parents who gave positive responses will be contacted in due course.

Many Thanks  
Mr MacGregor

### Cultural Diversity Month

Some children have began work this week on our topic for cultural diversity month. This year we are celebrating all things Caribbean with a particular focus on carnival. There are a number of music and dance workshops taking place in the coming weeks as well as looking at the history and geography of the area. We hope to involve parents with more information to follow.

### After School Clubs

After school clubs led by school staff will begin next week beginning 1st October (a few clubs have already started). Clubs are updated every half term . We hope have more starting as the year progresses.
