

Magic Breakfast Launch

Our Magic Breakfast scheme finally launched this week. Bagels were provided for all the children in their classrooms to enjoy at the start of the day.

Please remember that this is only a small breakfast snack and should not be a replacement for the breakfast your child has before school.

It is the first week so we will hopefully be looking at ways to involve the children's views on how it is working and how it can be improved over time.

A pleasing email!

I am very pleased to share with you an email the school received last week from one of the lead organisers of the Enabling Enterprise team who work with the school.

"Just wanted to pass on the compliments I got from the Brewin Dolphin volunteers about the behaviour and enthusiasm of 4CW yesterday (and I heard it was a great day at Gowling for Y3 too).

"They were absolutely impeccably behaved and a real joy to spend time with"

"They were so polite and curious. It was lovely to see them coming out of their shells and talking to us."

We often get praise from members of the public and staff from venues about how our children behave on Educational visits and so feel it is important to share that with parents also. Well done all for representing the school so positively.
