

## Super Sport News

We are pleased to announce that from September 2019 Southern Road Primary School has been selected as new host school for the **Youth Sports Trust** and Sport England's 'School Games Organiser' role

A number of schools applied for this so we are extremely excited to be successful in our bid.

We will also be taking over the School Sports Partnership that was originally based at Cumberland School. As part of this we will also be taking on their fantastic team who excel in the delivery of PE and Sport across Newham. We will also be the host school for what is known as the 'Project Ability Lead' whose aim is to increase opportunities for pupils with Special Educational Needs and/or Disabilities (SEND) in PE and Sport.

The team are well known to our school as they have been working alongside Mr Permaul and other teachers in developing our PE provision for many years. Further information will be sent out during the summer term.

### Mini Olympic success for Year 2

On Wednesday a team of Children from Year 2 attended the Mini-Olympics tournament at Eastlea School.

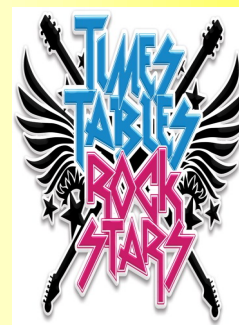

We are pleased to say that the children did brilliantly and won! The children had been working hard at lunchtimes to perfect all the different activities involved. Just proves that practice really does pay off!

### Times table Rock Stars

Things are starting to heat up again in the charts! Who will be the first to regain their 100% status, 6LT or 5VP?
