Wash out!

Unfortunately the unsettled weather had an impact on our Sports Day this week. In such a busy term it is always hard to rearrange another date with all the other trips and events planned but also because we need to liaise with the PE team at Lister to be able to use the field.

So as you will see from the dates below we have had to split the rearranged event across 3 days. Exact timings will be sent out via text through parent mail

Parent workshops

Earlier this week we held what was the first of our new school readiness workshops. We had approximately 20 of our Nursery parents who attended and learnt about how to support their child with phase one phonics.

If you're a current Nursery parent or a potential Reception parent don't miss the next school readiness session on **Tuesday 25th June** which will focus on daily routines and promoting independence in preparation for those children starting school in September.

Thankyou to Ms Redman who led the Phonics session this week!

Learning Languages

Over the past term children across KS2 have been having some high quality language lessons led by specialist staff from Lister Secondary School. The children have been further developing their Spanish vocab and writing. In year 6 they have not only been learning Spanish but also had some Mandarin lessons as well!

We are pleased to also let you know that from September we will have a specialist Spanish teacher working at Southern Road. This will enable all the children in years 4-6 to have a full hour of Spanish every week as well as continuing to work with the team from Lister.
