

A great full first week!

We welcomed our new Nursery and Reception classes this week and I have to say they have been fantastic. They have all settled in so well and have been excited to learn and take part in lessons and activities. We look forward to seeing how they progress over the year.

A reminder also to all Year 6 parents to read all the information in the secondary school admission books, please do visit as many schools as possible before putting your 6 choices down.

If you have any questions or concerns then please do ask.

Enjoy the sun!

Music and Languages at Southern Road

We are very pleased to announce that our Spanish teacher Ms Martinez started teaching this week at Southern Road. Initially Years 3, 4 and 5 will be having in depth lessons of an hour a week with Year 6 having some sessions later in the year. The Lister Spanish team will also work with Year 6 in the summer term for an extended period. The Mandarin teachers (also from Lister) will again be working with us later in the year.

We are also pleased to announce the arrival of 90 violins this week which year 5 pupils (and teachers!) will be learning from now on. We are able to provide these lessons as we are part of the newly formed Newham Community Music Cluster led again by the music team at Lister.

Over time we hope to increase these lessons across other year groups. The plan is for all the schools in the clusters (5 other local primary schools) to begin to plan and perform concerts throughout the year. Watch this space.....
