

A happy half term!

This half term has flown by and really has been a very successful start to the year. All the children are now fully settled into their new classes and I hope they (and all the staff) enjoy a well earned rest in the half term holiday. After half term there will be many more events and exciting learning taking place. Before we know it the Winter Fayre and the popular raffle will be here!
Have a wonderful half term.

More Sporting Success

More trophies for our wonderful sporting stars this week. Year 2 came first in the mini Olympics event and a massive well done to them. On Friday last week a team went to the Newham Leisure Centre and came first in the Panathlon event which was a fantastic achievement.

Finally just yesterday the girls football did amazingly well to get to the quarter final in their tournament. Well done to all the pupils and a big thank you to all the staff involved also.

Southern Road officially receive Best Practice in Teaching Assistants Award!

Last week a visitor came to assess whether as a school we have met the criteria for a national award. For over a year we have been working closely with our support staff in lots of areas such as creating a training programme for them, undertaking appraisals and above all else recognising and utilising the many talents and skills they possess.

We are incredibly pleased and proud to say we were recognised as having met all the criteria and so achieved the award for Best Practice in Teaching Assistants.

We look forward to receiving the full notification and certificate soon. A massive thank you to all the staff (and children) for their continued hard work.
