Friday 16th October 2020

## Looking ahead

As you may be aware Newham and the rest of London moves to the new tier 2 COVID restrictions as of tomorrow. As a school this does not affect our protocols greatly with the biggest change being that different households can no longer mix inside.

The only change we will be making is asking parents to wear masks on site during drop off and pick up times (many of you do so already). **This will begin on Monday 19th October.** A text will be sent out also.

Please also ensure that you maintain social distancing in and around the school community

Thank you all once again for your support during this strange and uncertain times.

In the meantime I hope you enjoy your weekend.

Stay safe

### Year 1 Stars

Year 1 have been doing some fantastic work in English this week .

They have been focussing their learning around reading the story 'The Bog Baby' by Jean Willis. They even managed to create some of their own versions!
