## Zoom ahead

With so much going on I forgot to thank all the parents who were able to take part in our Zoom parent meetings last Monday. Overall it was a great success but we also recognise that some parents may have missed out so please do let us know and we will organise another time for you.

We have also updated all our online systems this week which should make Parent mail even more effective. We now have 88% of our families signed up which is fantastic. If you don't have an account please email the info@ address and we will organise someone to help.

Have a safe and enjoyable weekend.

### Times Tables Rockstars

It's time to get in training for Rock Out 2020. From the 9th - 14th November, any correct answer in any mode will count towards Southern Road Primary's score.

There have been some rather dramatic changes to the class percentages this week (5VP have lost the top spot in a spectacular fashion!) - remember, playing for five minutes is enough to count towards your class's score!

### Anti Bullying Week

Anti-Bullying Week 2020 is taking place from Monday 16th to Fri 20th Nov and this year it has the theme 'United Against Bullying'.

This year, for us to shine a spotlight on bullying we would like all children to participate in Odd Socks Day, being held in school on Wed 18th Nov. That means pupils can wear the silliest and most colourful socks as long as they are odd! We have a zero tolerance against bullying at Southern Road and always encourage our pupils to speak out and let an adult know if they think this might be taking place.

### Creative Showcase

Every week we will now be including in the newsletter some examples of a creative piece (or pieces) created by our pupils.

Our entry this week is these fantastic Egyptian tiles from 5VP
