Welcome back!

It was good to see the children and families returning this week. I hope you all had a restful break and that for those undertaking Ramadan I do hope you are able to enjoy some time with your families safely.

As the restrictions slowly ease we hope more and more normality will return. As a school we must continue to follow the guidelines and ensure we are all safe. I am however more confident (with a bit of hope!) that this summer term will certainly be a much more enjoyable and enriching time compared to last year. For all of us.

Have a great weekend.

Times Tables Rock stars

What a difference two weeks makes! 2CD have dropped from top to bottom, while 3NA have crept up to first place.

Will the year 2s regain their position by this time next week?

Will a year 6 class finally get to the top of the charts?

It's all to play for....

Southern Road Most Played!

1. 3NA 93%
2. 6AS 90%

Time Capsule

It was great to see our school in the Newham Recorder this week, with a story about some of the amazing work our pupils had done on their return to school last month. (see pic below)

Every class produced a class book with a wide range of work including art, poetry and personal accounts of the pandemic. The whole school was involved and the work produced really reflects the pupils' memories and experiences of lockdown.

A selection of work from each class has also been included in a time capsule that has been buried in the school garden. This will ensure that the future pupils of our school get a snapshot of history from the year we all stayed at home

Pupils send 'awe-inspiring' accounts of pandemic into the future with time capsule

Pupils have buried an 'awe-inspiring' snapshot of history in their school garden. When the children from Southern Road Primary School in Plaistow were welcomed back into their classrooms in March after the third national lockdown, they were given the opportunity to share their accounts of the past year.
