Headteacher's update

Friday 7th May 2021

Welcome to our new look newsletter. This week has flown by and with the Bank Holiday and local elections it has been a bit of an in and out week. Having said that it has been useful to take stock and begin to plan in more detail for the remainder of the term and next academic year. We are still awaiting new guidelines from the government and once released we hope this will enable us to have some of the usual summer term events. I will inform you as soon as I know. I would also like to say **Eid Mubarak** to those families celebrating next week. Please remember school is open for all other pupils. Have a lovely weekend.
Mr MacGregor

The Newham School Sports Partnership based at Southern Road is a real asset to our school and of course all the other schools in Newham. Did you know that they also run training sessions for trainee teachers and support all PE leads across the borough to improve Sport and PE for all!
