

# THE COMPASS

## Southern Road Primary School Newsletter

Friday 11th June 2021

### Headteacher's update

Well the Summer has well and truly arrived! After what has already been a hot (and busy) week we expect the temperatures next week to get even hotter so please ensure your child is dressed appropriately. Please also read the information regarding sunscreen on the next page.

As you will now be aware the Healthy Streets programme will begin on **Monday 28th June** meaning there will be restrictions on cars on Southern Road as well as some of the adjoining roads. With the good weather this is an ideal time to introduce the programme to encourage all of us to walk, cycle to school and in doing so become more healthy, active and more importantly safe.

Have a lovely weekend

Mr MacGregor

### Vaccine Information

This weekend (Saturday 12th and Sunday 13th June), East Ham Leisure Centre will be opening up as a walk-in vaccination centre for 18-39 year olds for those in East Ham and the wider Newham community (anyone who lives or works in Newham) from 8am-7pm.

No booking required, residents simply need their NHS number. The centre will be administering the Pfizer vaccine only.

For more information, visit [www.newham.gov.uk/vaccinedrive](http://www.newham.gov.uk/vaccinedrive)

### Newsletter shoutout

“ Well done to Reception this week, some wonderful writing on how they make bread rolls.”

Ms Lawrence

## Important Sunscreen information

We have recently developed a sun safety policy to ensure that we can all enjoy the sun safely. The sun's rays are particularly strong over the summer and they can damage children's skin. This may not seem like a problem right now, but it can lead to skin cancer in later life. Your child's health and well-being are very important to us, which is why we have decided to:

- Increase the amount of school time spent learning about sun protection
- Encourage pupils to wear hats when outside
- Encourage pupils to use at least SPF 30 sunscreen in summer months
- Encourage pupils to stay in the shade where possible

More details of these and other new sun protection plans can be found in our sun protection policy which is available on our website or from the school office. Your support is very important to us.

You can help by:

- Talking to your child about the importance of sun protection at home
- During summer term applying suncream to your child prior to their arrival at school
- On days such as sporting events or school visits providing your child with their own clearly labelled sunscreen
- Sending your child to school with a wide-brimmed hat (these offer more protection than baseball caps)
- Ensuring your child's water bottle is clearly labelled and in school daily

**\*For 30 hours nursery children (who spend a large portion of their learning outside) please also send your child to school with their own bottle of sunscreen. These can be kept in school and staff will assist them in applying this at lunchtime. For other nursery and reception pupils we will keep a small supply of sunscreen for emergency use, please let staff know on drop off if you have not applied sunscreen to your child that morning.**
