Headteacher's Update

Friday 3rd December

Happy December! It's been another packed week of learning activities, visits and sporting events. Today it is of course our first cross country of the year over at Lister field, I was most impressed with our Reception and Year 1 pupils this morning when I popped over.

Year 2 had an enlightening educational visit to the National Gallery this week and got to see some of the amazing artwork from Cézanne, Monet, Renoir and Van Gogh. They even got a glimpse of the Trafalgar Square Christmas Tree!

You will be aware of the new Covid variant and the extra precautions in mask wearing we have brought in. This may yet affect some of our Christmas performances and we will inform you of these as soon as possible. Thank you once again for all your support.

Have a great weekend and stay safe.

Safeguard question of the week

Slip and trip accidents increase during the Autumn and Winter season for a number of reasons: there is less daylight, leaves fall onto paths and become wet and slippery and cold weather spells cause ice and snow to build up on paths. This week's question is:

How do you keep yourself safe in colder weather?

Well done to this week's winners, 6NA! They had a very mature discussion about abuse and speaking out when things aren't right. They produced some excellent posters which will be displayed around the school. Look out for them as they contain excellent advice.
