Headteacher's Update

Friday 11th February

Well I can't quite believe it is half time already. I have to say that despite the challenges of Covid it has been an incredibly successful term.

The children have undertaken a range of activities and educational visits and most importantly have made great progress in their learning. In any normal year it is from this point on that we really see the children make great strides in their learning and I see no reason why that should not happen this year. As we move into the Spring we will be holding more and more learning opportunities and events (look out for Science Week and Word Book day events!!) both inside and outside of the school.

Finally I would like to wish everyone a safe and enjoyable half term break. We look forward to welcoming pupils back on Monday 21st February.

Have a safe and enjoyable weekend

Safeguard question of the week

Well done to 6MC who are this week's winners of the safeguarding question despite some tough competition from 5PG. 6MC produced some posters in answer to the question, please see the image below and look out for them as they will be displayed around school.

The question will return after half term. Many thanks
