Headteacher's Update

Friday 29th April

Welcome to the first newsletter of the Summer term (having said that the weather the last few days suggests it is still very much mild spring time!). This first half term is always one that flies by with the bank holidays and the upcoming Key Stage One and Two national assessment weeks and before we know it June will have arrived!

We also have many exciting events, visits and learning opportunities for all the children this term. One such event is the Queen's Jubilee celebration and we look forward to sharing soon what we will be doing for this.

I do hope those celebrating Eld this weekend have an enjoyable time with their family and friends and that everyone has an enjoyable bank holiday.

Don't forget that we are closed next Thursday for polling day/local elections.

Regards

Mr MacGregor
