DIG DEEP, LOOK CLOSER, THINK BIGGER

Friday 30th September

Today we are launching our Black History Month Musicians and Composers competition.

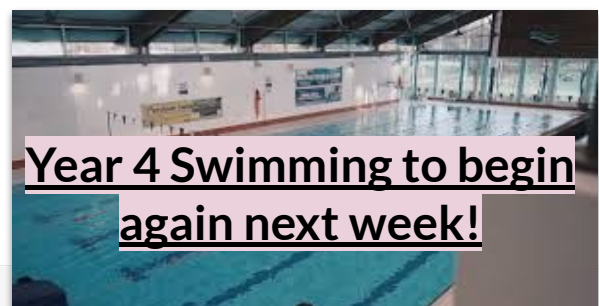

Please help your child to create a poster about a black musician and/or composer on the paper they have been given by their class teacher.

The poster should include a picture of the musician/composer and their name. Older children are also encouraged to include the composer's date of birth, their genre of music and reference to a piece of their music.

All entries need to be submitted by **Monday 17th October** and the winners will be announced later that week. There will be prizes for the winners.

Enjoy your weekend.

# Safeguard Question Of The Week

Our safeguard question of the week was around ways children can keep themselves safe online.

Well done to this week's winners: Loqman 3CD, Maryam 4CW, Joanna 5NA and Zain 6MC.

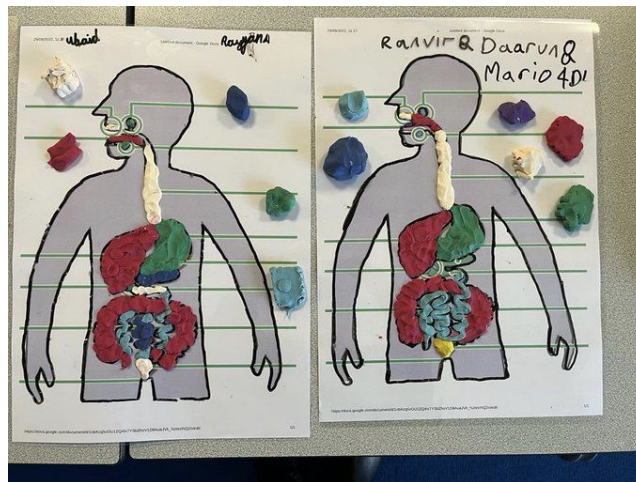

Next week's question of 'How can you keep yourself safe around animals?' coincides with world animal day which takes place on 4th October and was shared with children in today's assembly.

# A selection of some of our KS2 learning recently

Year 6 made models of the circulatory system.

Year 4 made models of the human digestive system this week to support their learning in Science.

5NA acted out their dilemma stories inspired by their current text 'Percy Jackson and the Lightning Thief'.
