## Southern Road Primary School Newsletter

**Friday 7th October**

Another great week of learning at Southern Road this week. We also had some more success in sporting competitions. Our Key Stage Two pupils represented us in the Newham School Sports Partnership cross country event at West Ham Park. The team managed three individual winners and three overall best year group trophies. A huge success! Well done also to all the children and families who also took part in the mini London Marathon last Saturday.

We also had a camera crew in this week from the literacy trust who were making a special film with our pupils about the importance of reading and school libraries. The film will be shown at a conference attended by members of parliament! We will of course share this with you when it is completed.

Our Parent Consultation Evening is on Thursday the 20th October. Please see further information at the end of this newsletter.

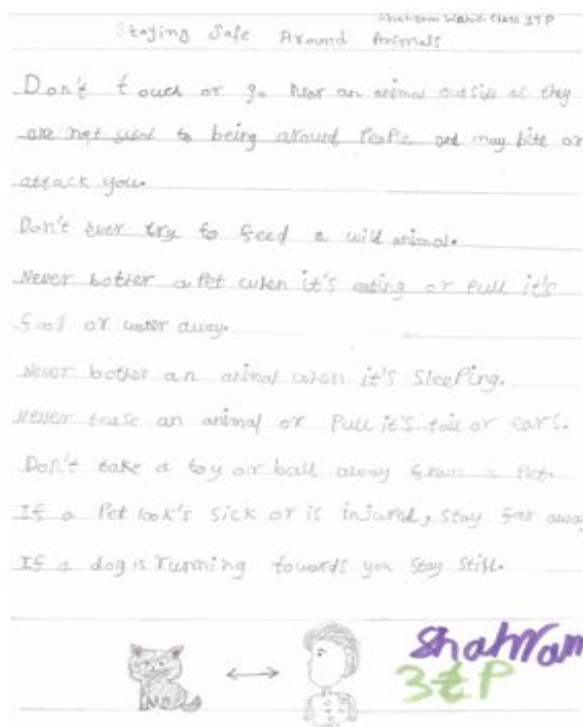

Enjoy your weekend.

Next week's question was announced in assembly today and is linked to world smile day (which takes place today). Ask your child to share the question with you!
