

# THE COMPASS

## Southern Road Primary School Newsletter

**Friday 2nd December**

Well I can't quite believe it is December already , it also means we have just over 2 weeks till our winter break.

This week was of course an eventful one with our first cross country of the year. This event was also a bit unique with the fact we had our neighbours at Plaistow Primary also taking part. Mr Permaul was very pleased with the event and the effort of all the pupils and teachers describing it as the best yet!

We also held the Newham Sports Partnership dance mats competition which also included a rather exciting teachers round!

Have a good weekend  
Mr MacGregor

5LV	93.92	97	1m 2s
5NA	92.15	97	1m 51s
6LT	92.66	100	2m 8s
6MC	90.35	97	2m 43s
6VP	91.4	97	1m 1s

## Headlines!

5LV were the most **accurate**!

4CW and 6LT gave the best **effort**!

4DL played for the **longest**!

# 1<sup>st</sup>

Improvement in Studio Speed

over the last 7 days

Kaamilah in 6MC is an amazing 13.08s faster per question!

# 2<sup>nd</sup>

Alif in 5NA is 4.9s faster!

# 3<sup>rd</sup>

Andreea in 6LT is 3.57s faster!

## Year 3 Animal Workshop

Last week Year 3 took part in the Spirit of the Wild workshop.

The children found out about different types of animals, their habitats, what they eat, where they are from and how they adapt to their environments. They learnt about their special characteristics. All the pupils enjoyed the workshop with all of them getting to hold at least one animal.

# Wednesday 14th December

On Wednesday 14th December all pupil can wear a Christmas or celebration jumper in exchange for a voluntary donation of £2.00 which will contribute towards the breakfast bagels that are available daily to all children.

## National Primary Maths Challenge

Our year 6 Mathematicians received their certificates for the National Primary Maths Challenge! They did amazingly, tackling questions that went all the way up to GCSE level! Silver and gold level winners have a chance to go onto the next round, so watch out for more information.
