Headteacher's Update

Friday 13th January

Firstly I would like to wish all of the Southern Road community a very Happy New Year and wish you all a very successful and safe 2023.

This term as usual is the shortest term but as I said to the pupils in assembly today it is probably the most important one. This is the term where we really see pupils progress in their learning as they are now secure in their classes and what is expected of them. It is also the coldest term usually so please ensure children are dressed appropriately!

Thursday 19th January
This is a really important
day for us!

It's that time of year again where on Thursday next week, the government counts how many children have a school dinner.

They then award us funding based on that number of children. This can be as much as £70,000 extra depending on how many children have that school dinner!

So, on this special day, if every child in Reception to Year 2 has a school dinner on that one day, we'd get a massive amount of extra money for school. We would encourage you to order a free school meal on this day!

Children can still bring a packed lunch as well if you wish

This funding goes directly to maintain resources and a good quality of education for your children.
