Southern Road Primary School Newsletter

Headteacher's Update

Friday 27th January

We are extremely proud to announce that Southern Road Primary has achieved the **One Education Reading Award** at SILVER level. The award represents our school's commitment to building a successful reading curriculum and our passion to inspire a child's love of reading. The silver award indicates that as a school, 'excellent provision is evident in Reading'.

The feedback given to us states, *"This accreditation is testament to your hard work in making Reading a true priority. Your evidence clearly shows that you have fulfilled the requirements for the SILVER award. You have worked tirelessly to build an amazing reading curriculum and there is much to celebrate."*

The One Education Reading Award is a Reading Quality Standard for schools. It is the only Reading Quality Mark that supports schools with the development of their entire Reading curriculum. Over the course of the last year, the school has gathered evidence for each of the awarding criteria, to guide our development of our Reading Curriculum. From the school library, to guided reading and at home through the reading journals, reading truly is at the heart of our curriculum.

We want to thank all of the staff, children and parents who over the last year have risen to all the challenges we have set. Together we have taken our whole school approach to developing a love of reading and made it an absolute priority across the school

Have a great weekend

Mr MacGregor

Dodgeball Champions

On Friday 20th February Southern Road Primary competed in the London Dodgeball competition at Barking and Dagenham College. The competition involved 12 teams from across the capital.

Our children showed determination, perseverance and superior technical ability to win the competition overall and our second team came a respectable third place. We are now through to the regional finals later in the year.

Mini Olympians Triumph!

A group of our Year 2 pupils won the Newham Mini Olympics competition on Tuesday this week.

They showed great athletic ability. Were really well behaved and worked so hard to finish first against 8 other schools!
