Headteacher's Update

Friday 12th May

Well done to Year 6

This week was our end of Key Stage 2 assessments (SATs) for Year 6. Every single one of them put in a huge amount of effort and really put into action everything they had learned. All the staff are extremely proud of them, as should all their friends and family.

As with every year, some of the papers were a bit trickier than others and I know some news stories regarding one paper may worry parents but please be assured they should not be worried at all.

These tests are a snapshot of what the children can do and we know that being resilient, caring, bright and happy pupils is much more important as they move on to the next stage of their education. They also have a lot of exciting events and experiences to look forward to for the remainder of the term.

A big thank you to all the teachers and support staff who have supported the children throughout.

Have a good weekend

Mr MacGregor

Thursday 18th May
CENSUS DAY
This is a really important
day for us!

Chicken Burgers
Pizza
Tuna Crunch Baguette
Chips
Salad

Black Forest Slice with Ice Cream

It's that time of year again where on Thursday next week, the government counts how many children have a school dinner

So, on this special day, if every child has a school dinner on that one day, we'd get a massive amount of extra money for school. We would encourage you to order a free school meal on this day!

Children can still bring a packed lunch as well if you wish

This funding goes directly to maintain resources and a good quality of education for your children.
